

PE012

COVERT BODY ARMOUR

The Covert Body Armour has been designed to be completely undetectable beneath clothing. The armour can be supplied with our range of lightweight armour solutions. Materials used in the vest are elasticated and hold the armour tight to the body. No Velcro or bulky methods of adjustment are found in the vest.

Protection Level: 11, 111a, 111 and Level IV using our range of ballistic plates.
Colour: White
