

## **PPE022 Semi Covert Three Wire Communication System**

The Semi Covert Three Wire Communication System is designed for demanding CP work and contains a separate PTT, lapel microphone and acoustic tube making the unit extremely covert.

### Features:

- Lightweight earphone, rubber eartip, radio connector and clothing clip.
- Low-profile flexible, transparent acoustic tube.
- Flexible, high-grade cable for demanding applications.
- Black or beige colour options.
- Kevlar reinforced cabling as standard.
- 12 month warranty.

\*2 wire and single earphone and microphone systems available\*
